Re: Proposed Annexation No. 12,

Dear Sir:

At the meeting held on October 1, 1958, the County Boundary Commission reviewed the boundary description and map submitted by G. E. Ramsey, Design Engineer of the City of Whittier, with his letter of September 23, 1958 of the proposed annexation of territory to the City of Whittier.

Following recommendation of the County Engineer, the County Boundary Commission approved as to definiteness and certainty and as to the fact that these boundaries do not create islands or corridors of unincorporated territory, and conform with lines of assessment as nearly as practicable, the area proposed to be annexed to the City of Whittier.

An approved copy of the description and a list of special districts involved are enclosed for your use.

Very truly yours,
